

STEARAMIDE	Technical Datasheet
-------------------	----------------------------

Chemical Name	STEARAMIDE
Grade Name	STEARAMIDE
CAS No.	124-26-5
EINECS No.	204-693-2
Molecular Formula	C18H37NO
Synonyms	<ul style="list-style-type: none"> • kemamides • Crodamide

TEST	SPECIFICATION	METHOD
Appearance	Pale yellow to light brown free flowing flakes	Visual
Melting Range	Min 95 Deg C	Melting Point Apparatus (Open Capillary Tube Method)
Free fatty acid	6-8 mg KOH/gm	Titration

Product Information:

- Stearamide can be used as an antiblocking agent in plastics.
- Stearamide can be used as excellent softner for cotton textiles.
- Stearamide can be used as a slip agent in various wax resin coated papers.
- Stearamide can be used as oil or alcohol or solvent dyestuff solubiliser in printing inks manufacture and antiflashing agent.
- Stearamide can be used as an intermediate for manufacturing methylol stearamide a water repellent for cellulose.

Product Handling & safety:
Please refer to our product MSDS for specific instructions on handling this product.

Product Registration: Stearamide is approved for use in food contact polymer as per the following chapter heading

Title: 21-Food And Drugs
 Chapter: I - Food And Drug Administration Department of Health And Human Services
 Subchapter: B - Food for human consumption (Continued)
 Part: 177 - Indirect Food Additives: polymers
 Subpart: B - Substances for Use as Basic Components of Single and Repeated Use Food Contact Surfaces
 Section: 177.1210 Closures with sealing gaskets for food containers.

Product Disclaimer

Important : This statement supersedes any Buyers documents. Seller makes no representation, Warranty, Express or Implied, Including of Merchantability of Fitness for a particular use, or purpose.

No statement herein is to be construed as inducements to infringe any relevant patent. Under no circumstances shall Seller be liable for incidental, consequential or indirect damages for alleged negligence breach of warranty, strict liability, and tort or contact rising in connection with product(s). Buyers sole remedy and Sellers sole Liability for any claims shall be buyers purchase price. Data and results are based on controlled or lab work and must be confirmed by the buyer by testing for its indented conditions of use.

This product is not been tested for, and is therefore not recommended for, use for which prolonged contact with mucous membranes, abraded skin, or blood is intended, or for use for which implantation within human body is intended.
